Strategy Statement

All staff and governors accept responsibility for socially disadvantaged pupils and are committed to meeting their pastoral, social and academic needs within the school environment. Turvey Primary School is committed to 'Narrowing the Gap' between vulnerable pupils and the pupil premium forms a vital part of this process.

As a small village school we are able to carefully tailor our pupil premium support to meet the needs of each individual child. Additional tuition and homework support has enabled the majority of pupils to make the expected rate of academic progress. We have also used the pupil premium funding to enable pupils to participate in after school sport clubs and to learn to play a musical instrument.

Strategy aims for disadvantaged pupils

Measure	Activity
Priority 1	For vulnerable pupils to meet their academic potential
Priority 2	For vulnerable pupils to be supported to access all areas of school life in order to maximise engagement, attention and attainment.
Barriers to learning these priorities address	Low self-esteem, negative attitude to learning and fear of failure. Low academic starting point and medical needs/physical disability.
